

# Read the Entire Bible in 2018!

We recommend using any good translation of Scripture that you can understand. Pastor Jack usually reads publicly from the NIV. Many of our church members use that translation or the NASB, the CSB, or the KJV. If you prefer to listen to an audio version, we recommend using a Bible App like Bible Gateway and you can listen to each passage while you walk, drive, or workout!

# Simple Instructions

For Reading Your Bible in 2018

This chart gives you a plan for reading your Bible from cover-to-cover in 2018! Bible readings are given 6 days per week with about 4 chapters given per day. No assignments are given on Sundays. On that day, you can join us for worship, focus on the Bible reading in worship or in your class, and catch up on any missed reading from the previous week. Follow this plan and you will read through the Bible completely in 2018!
