

Read the New Testament in 2019!

We recommend using any good translation that you can understand. Pastor Jack usually reads publicly from the NIV. You will find many of our members use the NIV, the NASB, or the CSB. If you prefer an audio version, we recommend using a Bible App like Bible Gateway, You Version, or our own weekly newsletter page at fsbca.org.

Simple Instructions

This chart gives you a plan for reading your entire New Testament in 2019! Bible readings are given 5 days per week with only 1 chapter per day. No assignments on Saturdays or Sundays so you can worship, catch-up, or focus on Bible readings from worship or class. EXTRA: Subscribe to our weekly newsletter at fsbca.org and get a brief introduction to each New Testament book before you read it!
