Prayer Thoughts

Essential Tools – Living By The Word

Could You Pass A

Bible Quiz?

80 questions / 100 points

No Trick Questions

What Would You Score?

How well do you know the Bible? Do you want to know how much you know—or don't know? How well do you think that the typical American church attender knows of the Bible? And how well do they practice what they know?

Pray that our members *know* and *live* by the truths of the Bible. That's the skill we will be discussing this Sunday. And more than a "good" sermon, my goal and my prayer is to lead our people to become students of the Word and doers of the Word.

Pray for me and for us!

And, if you want to know how well you know the Bible, I will be glad to give you an advance copy of the quiz I will make available on Sunday. I will even grade your papers for you if you want me to!
